Cream

Tea

Scones

What you will need

1 Mixing bowl

1 Measuring jug

A set of scales

1 Round-ended knife

1 Rolling pin

1 Round cutter

1 Baking tray

1 Cooling rack

1 Pastry brush

1 Chopping board

1 Small kitchen knife

What you will need

225g Self-raising flour

1 Tsp bicarbonate of soda

60g cold unsalted butter, cubed

25g Caster sugar

1 Egg

Whole milk

Extra flour for dusting

Strawberry jam

Extra thick double cream

Fresh strawberries cut into quarters

Method: Preparation

Preheat the oven to 200°C.

Lightly grease a baking tray with butter and dust it with a little flour.

Add the cold butter cubes and rub the butter into the flour using your fingertips until it looks like breadcrumbs.

Stir in the caster sugar.

Method: Mixing

Crack the egg into a measuring jug.

Add milk until the liquid reaches 150ml.

Mix together with a fork.

Pour a little of the egg and milk mixture into the bowl at a time and gently mix using a round-ended knife.

Method: Making Dough

Keep adding a little more liquid and mixing until the dough comes together and feels soft.

You may not need to use all of the liquid!

Tip the dough onto a lightly floured work surface and gently bring it together with your hands.

Use your hands or a rolling pin to gently flatten the dough until it is about 3cm thick.

Method: Baking

Push your cutter into flour and cut out 6 scones.

Place the scones onto your prepared baking tray.

Brush the tops with any leftover egg and milk mixture.

Bake for 10–12 minutes until golden on top.

Method: Serving

Carefully place the scones onto a cooling rack and allow to cool slightly.

Cut the strawberries into quarters and serve the scones with jam, cream and fresh strawberries.
